**Girls Water Polo Zone Team Assistant Coach
Job Description
Midwest Water Polo**

TITLE: Girls Water Polo Zone Team Assistant Coach

QUALIFICATIONS: Current USA Water Polo membership
Previous experience as a water polo coach is required
Effective communication skills

REPORTS TO: Girls Zone Team Administrator

JOB GOAL: Provides support on the development and implementation of a comprehensive program, offering opportunities for female zone athletes to develop their water polo skills, ensuring compliance with national team standards, USA Water Polo and FINA policies and regulations.

PERFORMANCE RESPONSIBILITIES:

1. Participates in the organization and administration of the overall training program for all zone athletes.
2. Administers and implements general operational practices assuring safe and healthy conditions for all participants.
3. Attends, participates and ensures consistent procedures at zone tryouts.
4. Administers all policies and procedures working within the confines of USA Water Polo and FINA regulations and procedures.
5. Attends and participates in zone coaches meetings.
6. Provides support in the selection, and evaluation of zone team athletes.
7. Contributes to the organization and scheduling of all zone team events.
8. Verifies each athlete's eligibility according to established USA Water Polo requirements.

9. Keeps accurate records of all contests, and maintains a record file of all award winners.
10. Establishes and communicates team goals.
11. Performs other duties as assigned by the Zone Team Head Coach and Administrator.

TERMS OF VOLUNTEER POSITION: Twelve-month year.

EVALUATION: Performance of this job will be evaluated in accordance with USA Water Polo Coaching requirements.
